

National Teacher Appreciation Week

The first full-week in May is National Teacher Appreciation Week. Key a letter to a staff member who has made a difference in your school career. Please tell your staff member how/when you had contact with them and exactly what impact they had on your education/life. Remember, that a letter should contain three paragraphs. Add your digital photo in the letter somewhere to jog their memory of you. Save this in your folder, print a final copy in color, and submit to the teacher for a grade.
